Busy Bee's 2026 Summer Program

Join us this summer for an unforgettable camp experience that balances fun, learning, and personal growth.

What's Discovery Zone?

Discovery Zone is a child-led program where learning begins with curiosity. Each theme starts with a simple question and grows through hands-on exploration, guided by children's ideas and interests.

This summer, Infants and Toddlers will join with age-appropriate, play-based experiences. Each two-week theme gives children time to explore, learn, and celebrate their discoveries.

Discovery Zone Themes

Theme 1
Nature Ambassadors

Theme 2
Cultivating Creativity

Theme 3
Community Quests
