

Birch Tree Academy

This Fall, They'll Explore With Curiosity, Grow With Confidence, and Thrive Every Day.

Birch Tree Academy's STEM-based program nurtures curiosity, confidence, and a love of learning in every child. Spots filling fast!

Children at Birch Tree explore weekly science themes and progress through a structured scope and sequence of math and language skills - all within the context of social-emotional learning that strengthens communication, emotional confidence, and the ability to navigate social interactions at every age. Spanish, music, and PE round out a learning model designed to develop your child holistically - academically, socially, and emotionally. Our program is designed to nurture and inspire every child at every stage.
