

Where Creative Learning and Genuine Care Go Hand in Hand This Fall

At Kid Works, education and nurturing aren't separate - they're built into every part of your child's day.

At Kid Works, children explore, discover, and grow every single day. Our BeeCurious curriculum builds confidence, creativity, and kindergarten-ready skills in a safe, nurturing environment. Meals are included, and classrooms are designed with dedicated spaces for science, art, literacy, music and movement. **Spots filling fast!**
